

Highway Patrol Communiqué

March 15, 2018

Greetings Highway Patrol Friends & Colleagues,

ANNOUNCEMENTS Copies of all communiqués, past and present, may be found on the 62HP.org website. Select the "[stories](#)" link, scroll down through the listings. Near the bottom of the list, you will find the Communiqués list.

BITS n PIECES from our members I have exchanged communications with several colleagues. Relevant updates and changes have been made (where necessary) in our records and rosters.

- ▼ A very brief email was received that stated only: Add to list of members, Cpl. Walter White. I immediately replied to the sender, however, no further information has been forthcoming. A WHITE, Walter; Cpl, Det. A-Darmstadt, 1956 (and his military serial number) along with the notation, 31 Jul 56 is on our roster of members and his name is already included on the W list of members on the member's page. I am in hopes that this will prove to be a contact from one of our colleagues and that we may eventually receive further contact information.

Webmasters notes:

- ▼ The History page on our website was recently updated to include information regarding some of our members that were drafted, shipped to Germany, then trained for the HP. This information courtesy of Wayne Leviska, Cpl, Det. A-Augsburg & Ulm, 1951-53.
- ▼ The attached document, "*62nd Highway Patrolmen employed by Criminal Justice agencies*", is an article regarding HP members that served in civilian law enforcement and criminal justice agencies after their various military service. It is most likely not complete, and it certainly does not reflect the depth of information that I would like to report regarding many of the named individuals. Too many of our members were never found, or their stories and activities after leaving the HP were never compiled. As noted in the article, I will be happy to add to, update, or correct any material.

TAPS Thankfully, None reported since the last communiqué.

Until the next time – Stay Safe!

Larry Linville
